

# Skating the City

A stylized illustration of a skateboarder in a city setting. The skateboarder is the central figure, rendered in dark green and black outlines, wearing a hooded jacket and a helmet. The background is a light green color with faint, white-outlined silhouettes of other people and city structures. The overall style is graphic and minimalist.

*Skateboarding to me is not just a sport or hobby, it's a way of life. For me it has changed the way I look at other things and people including my whole outlook on life.*
